

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF SOUTH 641 WATER)	
DISTRICT FOR AN INCREASE IN)	
MISCELLANEOUS NON-RECURRING SERVICE)	CASE NO. 92-293
CHARGES AND A DEVIATION FROM 807 KAR)	
5:011, SECTION 10(1)(E) AND (2))	

O R D E R

On July 14, 1992, the Commission received an application from the South 641 Water District ("South 641") wherein it proposes to adjust its charges for certain non-recurring charges. In its filing, South 641 requested a deviation from the requirements of 807 KAR 5:011, Section 10(1)(e) and (2).

807 KAR 5:011, Section 10(1)(e), requires an income statement and balance sheet for a recent 12-month period. Section 10(2) requires additional information if the additional revenue to be generated from the proposed tariff revisions exceeds 5 percent the total revenues provided by all miscellaneous and non-recurring charges for a 12-month period. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein is sufficient to enable the Commission to adequately review South 641's filing. Therefore, its request for a deviation from the above-cited regulations should be granted.

IT IS THEREFORE ORDERED that South 641's request for a deviation from the requirements of 807 KAR 5:011, Section 10(1)(e) and (2), is hereby granted.

Done at Frankfort, Kentucky, this 4th day of August, 1992.
